Yukon University Middle

Course Planner & Event Director: Dave Hildes

Despite some precipitation prior to (both liquid and solid), the flurries and showers held off during the event and 53 orienteers were out on the 4 courses (Novice, Intermediate, Advanced and Expert). The mostly pine forest around Yukon U is very open and runnable for very pleasant orienteering and the intermediate course went along a south facing embankment where many crocuses were spotted.

Thanks to Virginia, Sabine and Craig for help with set-up and registration; Forest and Joseph for newcomer instruction and Sabine, Pia, Benoit and Afan for help with clean up and control pick-up.
